Qualification Criteria for Weighted Hunters

The **Weighted Hunter** section usually consists of the following:

- 4yr old class (all types of weighted hunters)
- Heavy Weight
- Middle Weight
- Light Weight
- Small Hunter

Depending on your show, you may or may not include a specific 4yr old class or small hunter within this section. That is fine, we can take 4yr olds from any class above based on your schedule and the judge's discretion on the day.

We also recognise that some weighted classes may be combined depending on entries.

After the above classes are judged, 1st and 2nd placed combinations from each class should go forward to a **Weighted Hunter Championship directly after the above classes are completed.**

NB: All combinations wishing to qualify must compete in the Championship.

TO QUALIFY

Max. three horses can qualify from this championship:

- 1) Champion
- 2) Reserve Champion
- 3) Top placed 4yr old (*IF NOT ALREADY CHAMPION OR RESERVE*)

ADDITIONAL NOTES RE: 4YR OLDS:

- If Champion and Reserve Champion are both 4yr olds then these 2 horses will qualify for the final
- If a 4yr is chosen to be Champion or reserve champion, along with an older horse then 2 these two horses will qualify for the final
- If a 4yr old is **NOT** Champion or Reserve, then it can be left to the judge's discretion to pick another 4yr old horse to qualify for the final. In this case 3 horses will qualify for the final.

*****Competitors must have passports available. The passport numbers of all prize winners will be recorded on the qualifying dates and then must be produced and confirmed on the day of the final.

- Cob classes
- Coloured Horse Classes
- Racehorse to Riding Horse Class
- Irish Draught Ridden Class

After the above classes are judged, 1st and 2nd placed combinations from each class should go forward to a **Riding Horse Championship directly after above classes are completed**

NB: All combinations wishing to qualify must compete in the Championship.

Champion and Reserve Champion will qualify for the final.

- 1st and 2nd placed combinations will qualify in the Amateur Class for the final
- If 1st and 2nd place has already qualified the qualification will be offered to the 3rd placed competitor
- Qualification will go no further than 3rd place

If your show finds it necessary to split the Amateur Class due to high entries and make two Amateur Classes, (the ideal number of entries in one class is 15), then 1st and 2nd placed combinations should go forward to an **Amateur Championship directly after the 2 classes are judged.**

Champion and Reserve Champion will qualify for the final.

NB: Amateurs may compete in other classes but **CANNOT** qualify for **BOTH** finals

*****Competitors must have passports available. The passport numbers of all prize winners will be recorded on the qualifying dates and then must be produced and confirmed on the day of the final.
